Who Are We?

Baxall Construction are a highly respected regional contractor delivering new build, refurbishment, project management and design and build solutions to public and private sector clients across London and the South East.

Originating in 1964, Baxall has grown organically over time to become the reputable firm that it is today, with a solid ongoing order book of both new and repeat business.

Baxall specialises in the education, high quality residential, ecclesiastical, health, leisure and commercial sectors across which, the company has developed an extensive and diverse portfolio.

As an Investor in People and Equal Opportunities Employer, our staff and their motivation are a priority. Our commitment extends to apprenticeships, work experience and local labour opportunities, with a strong focus on supporting the local communities and economies we work in.

Who Am I?

I would like to take this opportunity to introduce myself, I am Steve Best, a Site Manager for Baxall Construction and I will be the manager on site. I am delighted to be involved in the construction of the new extension at Grovelands Nursery; in what I am sure will be fantastic new facilities when complete.

I would like to leave you my number, in case you have any questions, queries, complaints or compliments. It is always good to get feedback so please do not be shy. I will be on site from 7am.

Transport and Deliveries

We have sent all of our supplier's strict instructions that no deliveries are permitted between the hours of 8.30 am - 9.30am, and 3.00pm - 4.00pm without prior arrangement due to school drop off times. We have also made them aware of the strict speed limit of 5mph on site and to be aware of children and staff in and around the nursery and that all communication is through Baxall Construction personnel ONLY. All deliveries will be through Grovelands Road

Works Planned

The construction of a new build single storey extension to the existing Nursery Building will commence 22 January 2018.

Initial works involve forming a temporary road to access the site and delivery of our welfare units. We shall then proceed with the foundations and anticipate taking delivery of the new timber frame at the end of February.

Update on works.

To keep up to date with progress and works planned, we are going to issue a weekly update by email, if you would like to be included on this email please could you send an email to grovelands@baxallconstruction.co.uk and we will add you to the weekly email.

Nursery Drop off and collection arrangements

From Monday 22nd January, we will be using the Reception entrance for collection/drop off. If you collect or drop off your child at 12.30pm this will be by the Year One door, adjacent to the Main office. A member of Nursery staff will be there to collect/handover your child.
