

Week 3, Term 4 - Week ending 15.03.2019

Term 4

**Urgent Plea!!!!**

Reception children have begun their Forest School taster sessions. Each class will have 2 sessions in the Forest School site and 2 sessions working with tools. Other activities themed around Forest School and Understanding the World will take place in Reception. In order to carry out these off-site sessions, we desperately need extra adult helpers. If you would like to help – either regularly or for a few sessions (you do not need to be DBS checked), please let your child's teacher know as soon as possible. Letters will be sent home with the children detailing their particular sessions when it's their turn.

Sea Creature Day – Friday 29<sup>th</sup> March

In order to celebrate the end of our Under the Sea topic, we will be having a Sea Creature day. We would like the children to dress up as something to do with 'Under the Sea'. This could be as a sea creature, a deep sea diver, a pirate or anything else that lives under the ocean. There are lots of simple ideas on Pinterest (see attached sheet) – please don't feel that you need to go out and buy a costume. As always, dressing up is optional – they could even wear a T-shirt that has sea theme. Please see your child's teacher if you have any questions.

We would also like to encourage as many children as possible to have a fish and chip dinner at school that day.

Cool Milk

All Reception children are eligible for free milk until the Friday prior to their fifth birthday. Should you wish to continue with the milk then you will **need** to pay.

If your child is 5 they will **NOT** be provided with milk unless you pay for it online.

To do so please visit [www.coolmilk.com](http://www.coolmilk.com) or call 0800 321 3248.

Please spend time revisiting the sounds and words learnt so far at school

Sounds revised this week: ck, th, sh.

Each class will also look at the sounds they need.

Tricky words: was, you, they

High Frequency words: down, look, now

Dates for your diary
