

Week 5, Term 4 - Week ending 29.03.2019

Term 4

We have had a busy couple of weeks in Reception. It was lovely to see so many parents and carers in school for Maths Day. We hope you enjoyed the opportunity to find out what your children have been learning in maths. We are looking forward to our 'Sea Creature' day tomorrow and are very excited with the activities we have planned.

We would also like to take this opportunity to thank you for all your support with our learning events, such as share a book, stay and play and all our other fun adventures.

Technology Questionnaire

We would like to find out about the **technology** your child uses at home. For Reception, Technology includes using computers and tablets, digital cameras, Alexa or Google, knowing that some appliances use electricity and have to be programmed, turning on the lights when it is dark etc . Attached to this newsletter, is a technology questionnaire. (Paper copies to follow). Please could you complete the questions for your child. We would also love to see photos or videos of the children doing these things – these can be e-mailed to your child's teacher.

Please return these forms to school by **the end of Term 4**. (Thursday 4th April)
Many thanks.

Bird box Project 2019

We are very lucky to have a bird box in the school grounds with a camera inside. To have a look at what is going on in the box, go to:-

<http://www.seenature.org.uk/schools/grovelands-community-primary-school/>

We will be going live very soon!

Please spend time revisiting the sounds and words learnt so far at school

Sounds revised this week: sh,th,ng

Each class will also look at the sounds they need.

Tricky words: they,then, you,are

High Frequency words: back, get, got
